

SMSC and Emotional Literacy domains in Jigsaw 2nd Edition

Updated Jan 23

Jigsaw is more than a PSHE Scheme of Work. It provides a structured programme of personal development to nurture the 'whole child' and increase learning capacity, underpinned by mindfulness philosophy and practice.

Every Jigsaw lesson from Early Years to upper primary offers opportunities for children's spiritual, moral, social and cultural (SMSC) development, and this is clearly mapped and balanced across each year group.

Likewise, Jigsaw is designed to provide structured opportunities in every lesson to practise and enhance the five skills associated with the emotional literacy (self-awareness, social skills, empathy, motivation and managing feelings). At Jigsaw, we believe that these opportunities are vital for children's development, their understanding of themselves and others and in increasing their capacity to learn.

The following grids give a quick visual reference and summary of where these opportunities sit within Jigsaw.
