

# Clubs at Barnett Wood - Summer 1 2024

At Barnett Wood we realise the importance of enriching our curriculum with extra-curricular activities, as they give pupils a broader perspective on life, higher self-esteem and help them to develop essential life skills such as teamwork, problem solving and leadership.

Our aim is to provide a variety of lunchtime and after school clubs for your child to take part in, with something to suit everyone, whether they want to develop an existing skill or try something new – no matter their ability. Our lunchtime clubs are updated every half term.

Our external sports coaches Kiko run 3 after school clubs during the week, which Year 1 and 2 children can join. Reception children are invited to join in the Summer term. Our resident Yoga teacher Mrs Laho-McCormack also runs Yoga club after school on Tuesdays. Please see details below on how to book these clubs.

## Lunchtime Clubs

| Club                                                   | Day/Time                       | Booking details                                          |
