Swimming Contributions

As you know, swimming lessons are an important part of our curriculum, and while we are not required to include them in our PE programme, we believe they are essential for the safety and development of our pupils. To ensure that we can continue offering these valuable lessons, we kindly ask those who have not yet contributed to consider making a donation towards the cost of the swimming teacher. The cost is £55 per pupil, which works out at approximately £3 per lesson.

If you are experiencing any difficulties in making this contribution, please do not hesitate to contact us. We are here to support you and can discuss options that may assist you.
