Meet the Teacher - Curriculum Information Evenings

Thank you to all the parents that attended our Meet the Teacher information sessions this week. If you were unable to attend, the slides from each presentation are available on the Year Group pages on our website:

Parent Volunteers

Regular volunteers in school help us in a variety of ways – the main one being listening to individual children read in order to give them more opportunities to practise their reading skills. Volunteers (parents, carers or grandparents!) also help with cooking, ICT, artwork, gardening and various other tasks. All we ask from you is regular commitment and reliability. Regular volunteers will need to have a DBS check and undertake a brief induction regarding safeguarding, fire and health & safety. We will be holding a volunteer induction session on Friday 20th September at 8.45am in the Beehive. If you are interested in becoming a volunteer, please complete the online form below:

Swimming - Year 1 and Year 2

We are sorry that the planned final swim sessions for Year 1 and 2 did not go ahead as planned this week, but we are hoping to give it another go next week as warmer weather is returning. Thank you to the volunteers that were able to change their plans at the last minute!

Reminder - naming belongings!

Please ensure your child's belongings are all clearly named. We have already had a few items in lost property that can't be returned to their owner because they are not named! Sticky name labels are great, but even a name written with permanent pen such as a Sharpie will suffice.
