Ashted Peace Memorial Hall Centenary Celebrations - Friday 21st June

Our Year 2 children have been invited with other Ashted Schools to start the celebrations for the Ashted Peace Memorial Hall's 100 birthday on Friday morning. They will be singing some songs and watching the other schools perform. Unfortunately due to space, this is not an event that parents can come to watch. However, we are looking for some parent volunteers (3 per class) to assist us on our walk to and from the hall. Volunteers will be able to watch the event. We will be leaving school at approximately 9am and returning by 12pm. Please contact the school office if you are available to help.

Have a great

weekend
