Hedgehogs and Squirrels

Year 1

Owls and Rabbits

Year 2

Badgers and Foxes

## What's coming up this week?

### Whole School Reminders

### Reminder from the school office:

If your child has any regular changes to their pick up routine, for example a new childminder or change of After School Club to Kids Club, please let the school office know so that we can amend our class collection data information.

### Honeybees Breakfast and After School Club September 2024

Our School Business Manager Mrs Murphy is preparing registers for Breakfast and After School clubs in September. If your child (currently in Year R or Year 1) attends either club and you are anticipating a change in requirements for next year, please contact Mrs Murphy via email: [admin@barnett-wood.surrey.sch.uk](mailto:admin@barnett-wood.surrey.sch.uk) If your sessions and days are to remain the same, you do not need to do anything - these will be carried over for September.

### Swimming

Swimming lessons start week beginning 13th May. We are delighted to be welcoming back Mrs Victoria Heathcote (previously known as Miss Turner!) as our swimming teacher this year. Please read the information pack sent with this bulletin for all the information you will need ahead of lessons starting. A big thank you to the parents that have been organising volunteers to help their class with changing for swimming.

Have a great  
**WEEKEND**
