Used/scrap tyres wanted!

The Reception team are looking for donations of used or scrap tyres for their outside area. Their plan is to create a border of tyre planters around their recently installed trim trail. If anyone has any contacts in the motor industry that might be able to deliver some old tyres, we would be very grateful!

Reminder from the School Office

If your child has any regular changes to their pick up routine, for example a new childminder or change of After School Club to Kids Club, please let the school office know so that we can amend our class collection data information.
