Mastering Number Maths Workshop for Parents - Wednesday 13th March 6.30pm

You are warmly invited to our Maths Parent workshop, which aims to provide parents with insights into the innovative approaches we are implementing to enhance mathematical understanding and fluency among our children. We believe that parental involvement is crucial in fostering positive learning attitudes for our children. By attending this workshop, parents will gain valuable insights and strategies to support their child's mathematical journey. We look forward to seeing you there!

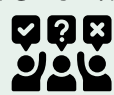

Red Nose Day for Comic Relief - Friday 15th March

Children are invited to 'Wear Something Red' next Friday to raise money for Comic Relief. This is a non-uniform day in exchange for a small donation (suggested £1) towards the charity - donations can be made through our Just Giving page: [Barnett Wood Just Giving Red Nose Day 2024](#) Comic Relief Red Noses (suitable for 3+ years old) are available to purchase from the school office.

Parent and Pupil Survey 2024

Parent and pupil feedback is vital to our cycle of school improvement. Your perspectives and experiences (whether positive or negative!) are valuable in shaping our school's practices and policies. Please help us by taking a few minutes to complete the surveys below. Responses will remain confidential and anonymous, however it goes without saying, if there is something regarding an aspect of the survey that you wish to discuss further please don't hesitate to contact us.

Honeybees Breakfast and After School Club

If any parents plan to make changes to their child's attendance pattern at Breakfast or After School club for the Summer term, please contact Mrs Murphy via email: admin@barnett-wood.surrey.sch.uk

A few pleas!

- Please can we have some donations of boxes of tissues for the children to use at school - we have run out!
- If anyone has any old/spare tracksuit bottoms, please donate them to us for our spare clothes stock.
- Please can parents ensure that toddler siblings do not play in the Reception classes outdoor area at the end of the school day - this area is tidied by the children and staff before home time so we are ready for learning the next day.

Thank you!

Have a lovely weekend!
