Whole School Reminders

Volunteers Needed - Grounds Maintenance Help Out Day - Sunday 11th February

The Friends of Barnett Wood have organised a volunteer day this Sunday 11th February, 9am - 12pm to help out with grounds maintenance/repairs and a general tidy up. If you can spare an hour, please do come along.

Online Safety

This week marked "Safer Internet Day," where the children focused on learning about internet safety. Enclosed with this bulletin is our Online Safety Newsletter that offers guidance and tips on everything internet-related. Additionally, you can find a variety of resources on our website to support your child: Online Safety | Barnett Wood Infant School, including the parent Online Safety presentation from this week.

Swimming Pool Volunteers needed!

The start of the summer season for our swimming pool may feel distant, but we must organise and train parent volunteers ahead of the children's use and for the Family Swim Scheme over the summer holidays. We require numerous volunteers for various roles like lifeguards/supervisors, pool checkers, and maintenance team members. If you can dedicate some time this summer to assist our pool, please attend our information session on Wednesday, 21st February at 2.30 pm in the Beehive.

Pupil Leadership opportunities at Barnett Wood - creating Future Leaders!

At Barnett Wood, we believe that encouraging and valuing pupil leadership and voice allows our children to actively participate in decision-making processes, develop their communication skills, and feel a sense of ownership and belonging within their school community. Please see the attached presentation regarding opportunities for your children to be part of our Future Leaders groups from next half term. There is a form at the end of the presentation to complete if your child is interested in any of the roles.
