Phonics and Early Reading Presentation

A reminder that our parent workshop video presentation was sent to all parents on Monday this week to watch in the comfort of your own home! The video is under 15 minutes long and offers valuable insights into our approach and practical tips on how you can support your child's reading development at home. We strongly encourage all parents, particularly new Reception parents, to take a little time to watch it, as your involvement plays a crucial role in your child's success. Cauliflower Christmas Card Project - deadline Tuesday 7th October

This project provides a fantastic opportunity to create unique, personalised gifts for family and friends. Plus, portion of the proceeds will go towards supporting our school, helping us fund valuable resources and activities for the children. Your child's artwork was sent home this week. If you would like to place an order, please read the instructions attached with the artwork. Orders must be placed and artwork returned to school by Tuesday 7th October.

Parent Volunteers Safeguarding Meeting Friday 10th October 8.45am

We would like to invite all parents or carers who would like to volunteer in school to attend an important Safeguarding Information Session on Friday 10th October. This session is designed to provide you with essential information about safeguarding practises at Barnett Wood and to ensure the safety and well-being of all our pupils.

As part of our commitment to maintaining a safe environment, please be reminded that all regular parent volunteers must have an enhanced DBS check before they can support us regularly in school activities. Details of how you can apply for a DBS will be shared in the meeting.
