Changes to Collection Arrangements

A reminder to parents and carers: if someone different is collecting your child, please notify the school office in advance by phone or email with the name and relationship of the person collecting. This helps us to ensure the safety and security of all our pupils. Thank you for your cooperation and support.

Adverse Weather Plan

We managed to escape storm Goretti's snow that has affected several parts of the country this week, but we still want to be prepared for any adverse weather conditions. In the event of severe weather, such as heavy snowfall or icy conditions, we will assess the safety of the school site and the surrounding areas. Our primary concern is the safety of our children and staff. Please see further information on our website:
